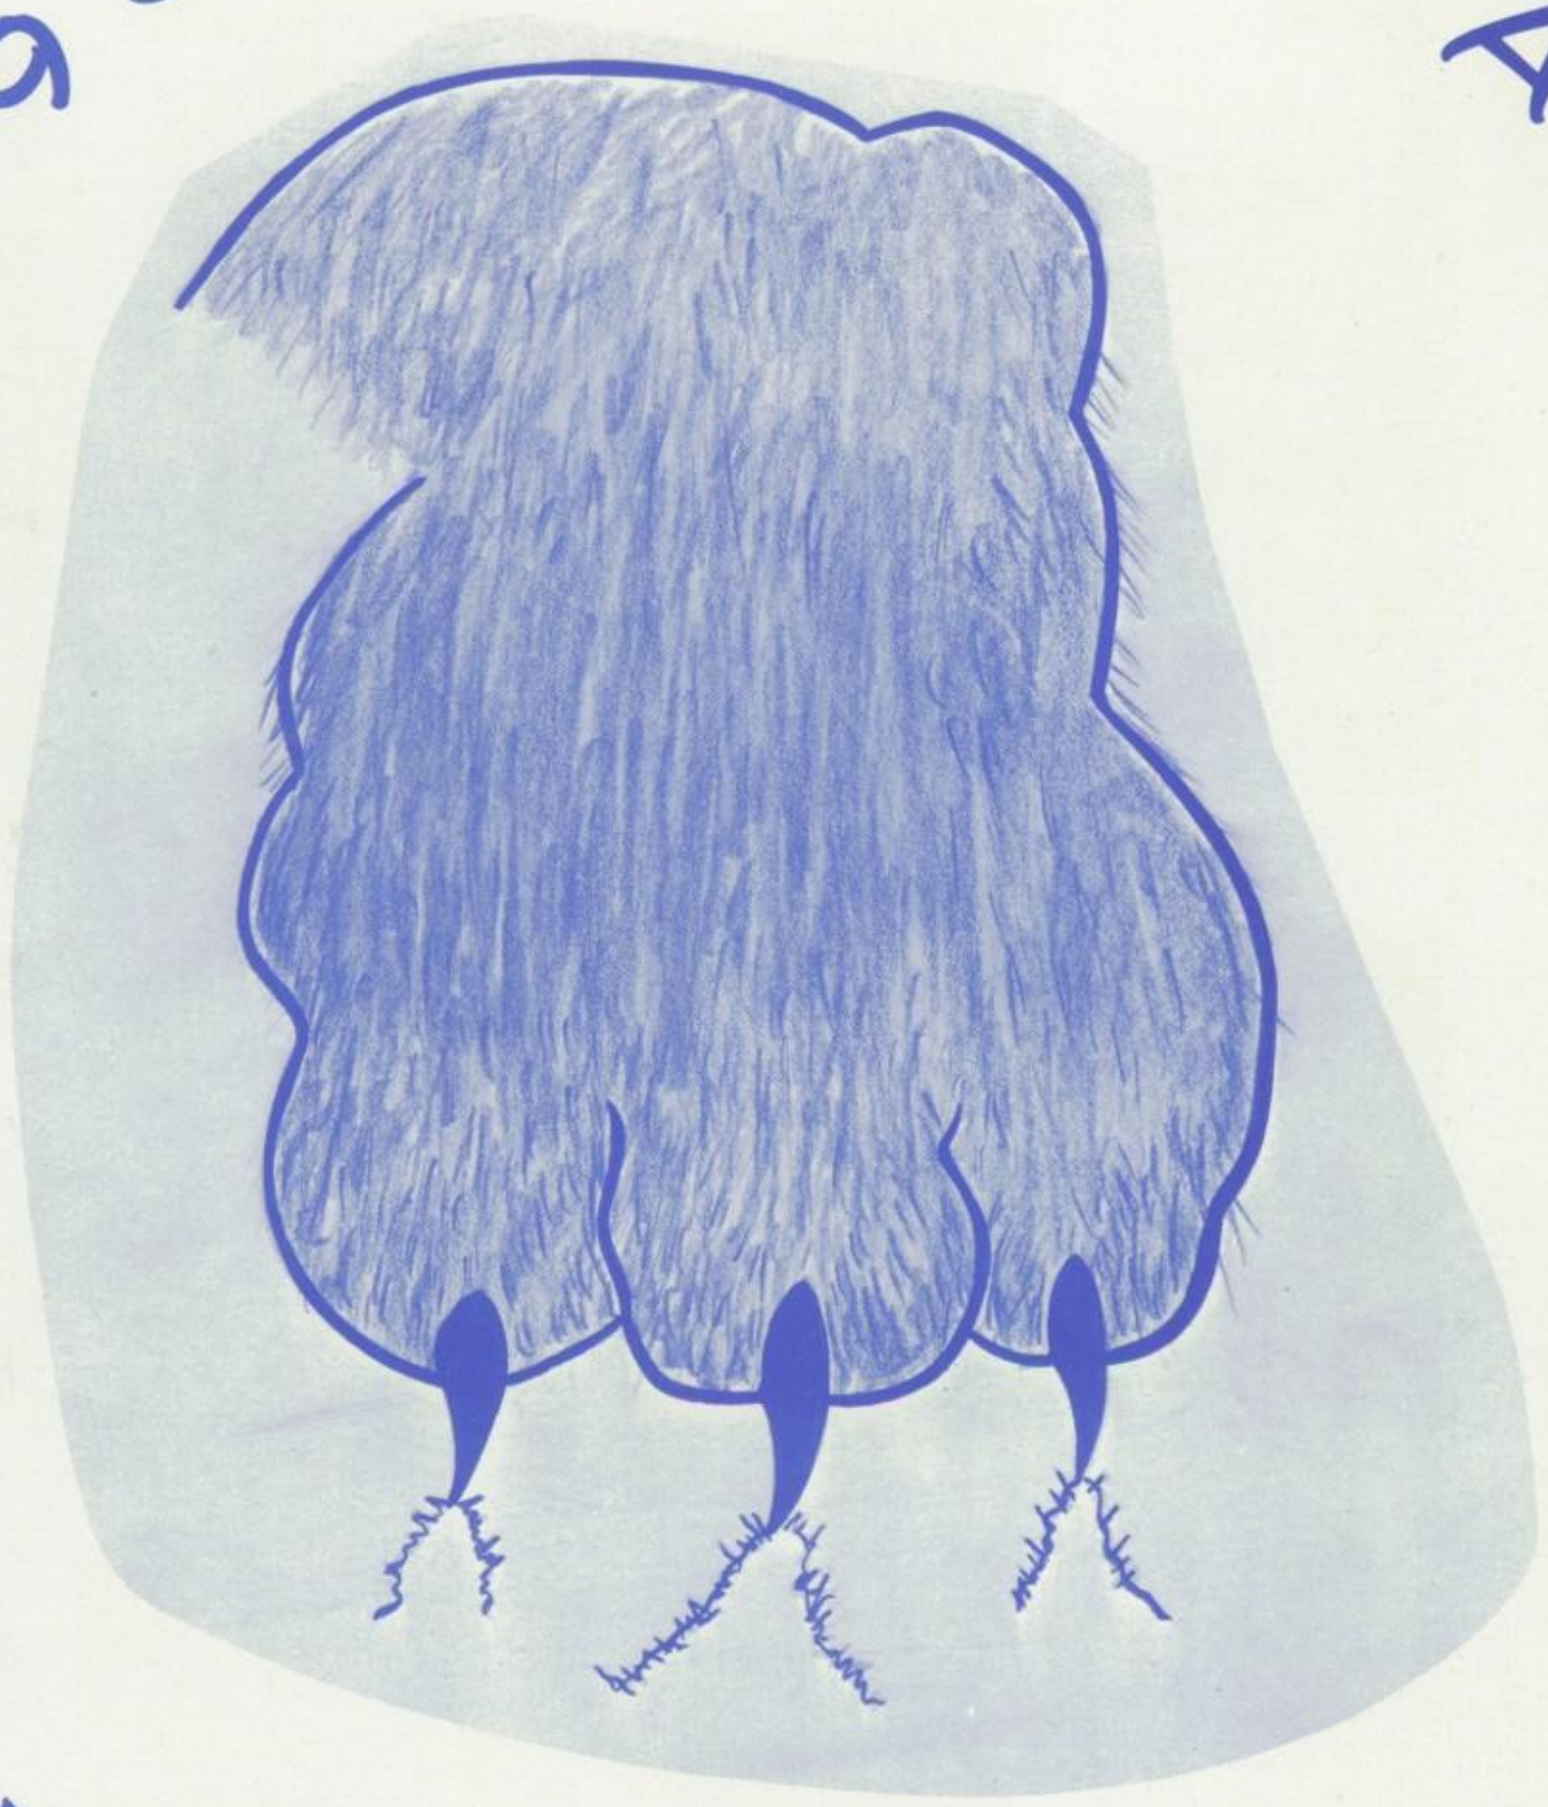
1966 CAT'S PAW



SULPHUR SPRINGS HIGH SCHOOL

SULPHUR SPRINGS, TEXAS

FOREWORD

From the first bell and the sound of voices on that day of days, September 1, until the last activity of the year, 1965-66 at SSHS has been a SPIRITED year. Eager to renew old friendships but not so eager to resume classes, students returned from the "shortest summer ever" to begin the school year.

As the confusion of the first few days subsided, the year began to progress smoothly. Surprisingly, the days flew by, and with them, many experiences. All SSHS'ers remember the wild excitement of the first pep rally, the casual moments of conversation with friends, and the countless hours of study, both in and out of classes.

As the school year began drawing to a close, the students started looking ahead to future years, but memories of the past year were not pushed aside. When phrases such as, "Remember how we used to . . . " occur in conversations, the 1965-66 school year at SSHS will be relived many times.

Through hours of hard labor, near heart attacks, and the dreaded fear of not meeting that final deadline, we, the 1966 Cat's Paw staff, hope that this Cat's Paw will satisfactorily relive the WILDCAT SPIRIT of the past year for each and every student at SSHS.

DEDICATION

. . . A Devoted TEACHER
. . . A Loyal FRIEND
. . . A Trusted and
Beloved PERSON

You not only trudged through Rome with us when we studied Julius Caesar, and corrected us for our unforgivable mistakes in grammar, but you have also been understanding and helpful in guiding us through these past years at SSHS. You have made us more mature young people, and because we love you not only as a teacher, but as a dear friend, we dedicate this 1966 Cat's Paw, which is so all-important in our Senior year, to you, our own Mrs. Hennen.

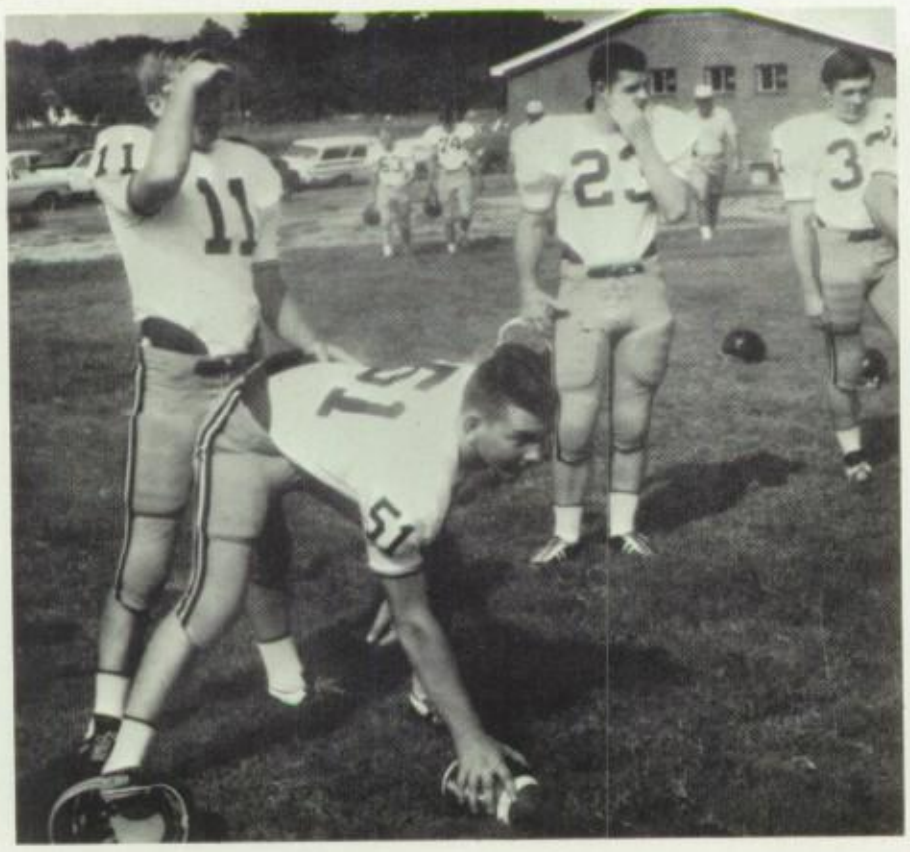
WILDCAT SPIRIT

Come on you Fighting Wildcats
Come on and fight,
Hit that line with all of
your might.
Forward, onward, straight down
the field,
Show them Wildcats never will
yield, rah, rah, rah,
Keep those colors floating on high,
Never let a foe man get by.
Victory, victory, that is our cry!
Victory for old Sulphur High!



BEGINS EARLY AT SSHS

Spirit Of

...from catching that impossible twirl

...to deciphering the antics of a summer school student (Miss Gladys Alexander, Civics and English teacher, during summer school)

Learning

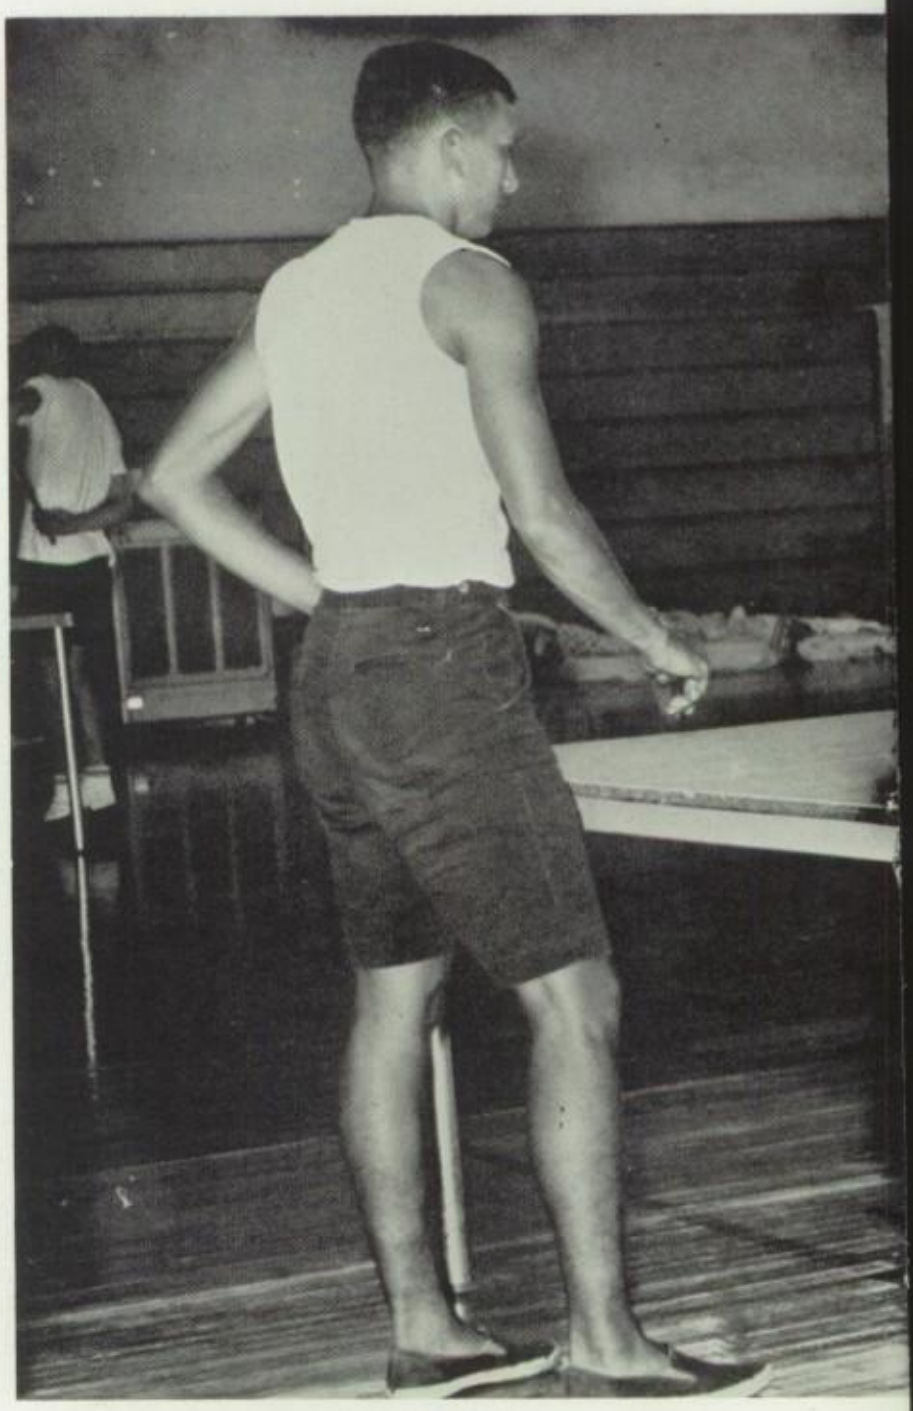
...to remembering (with a little assistance) the do's and don'ts of behavior during football camp

...to catching a pass in the perfect stance

Spirit Of

...from memorizing Article I, Section 2 of the Constitution

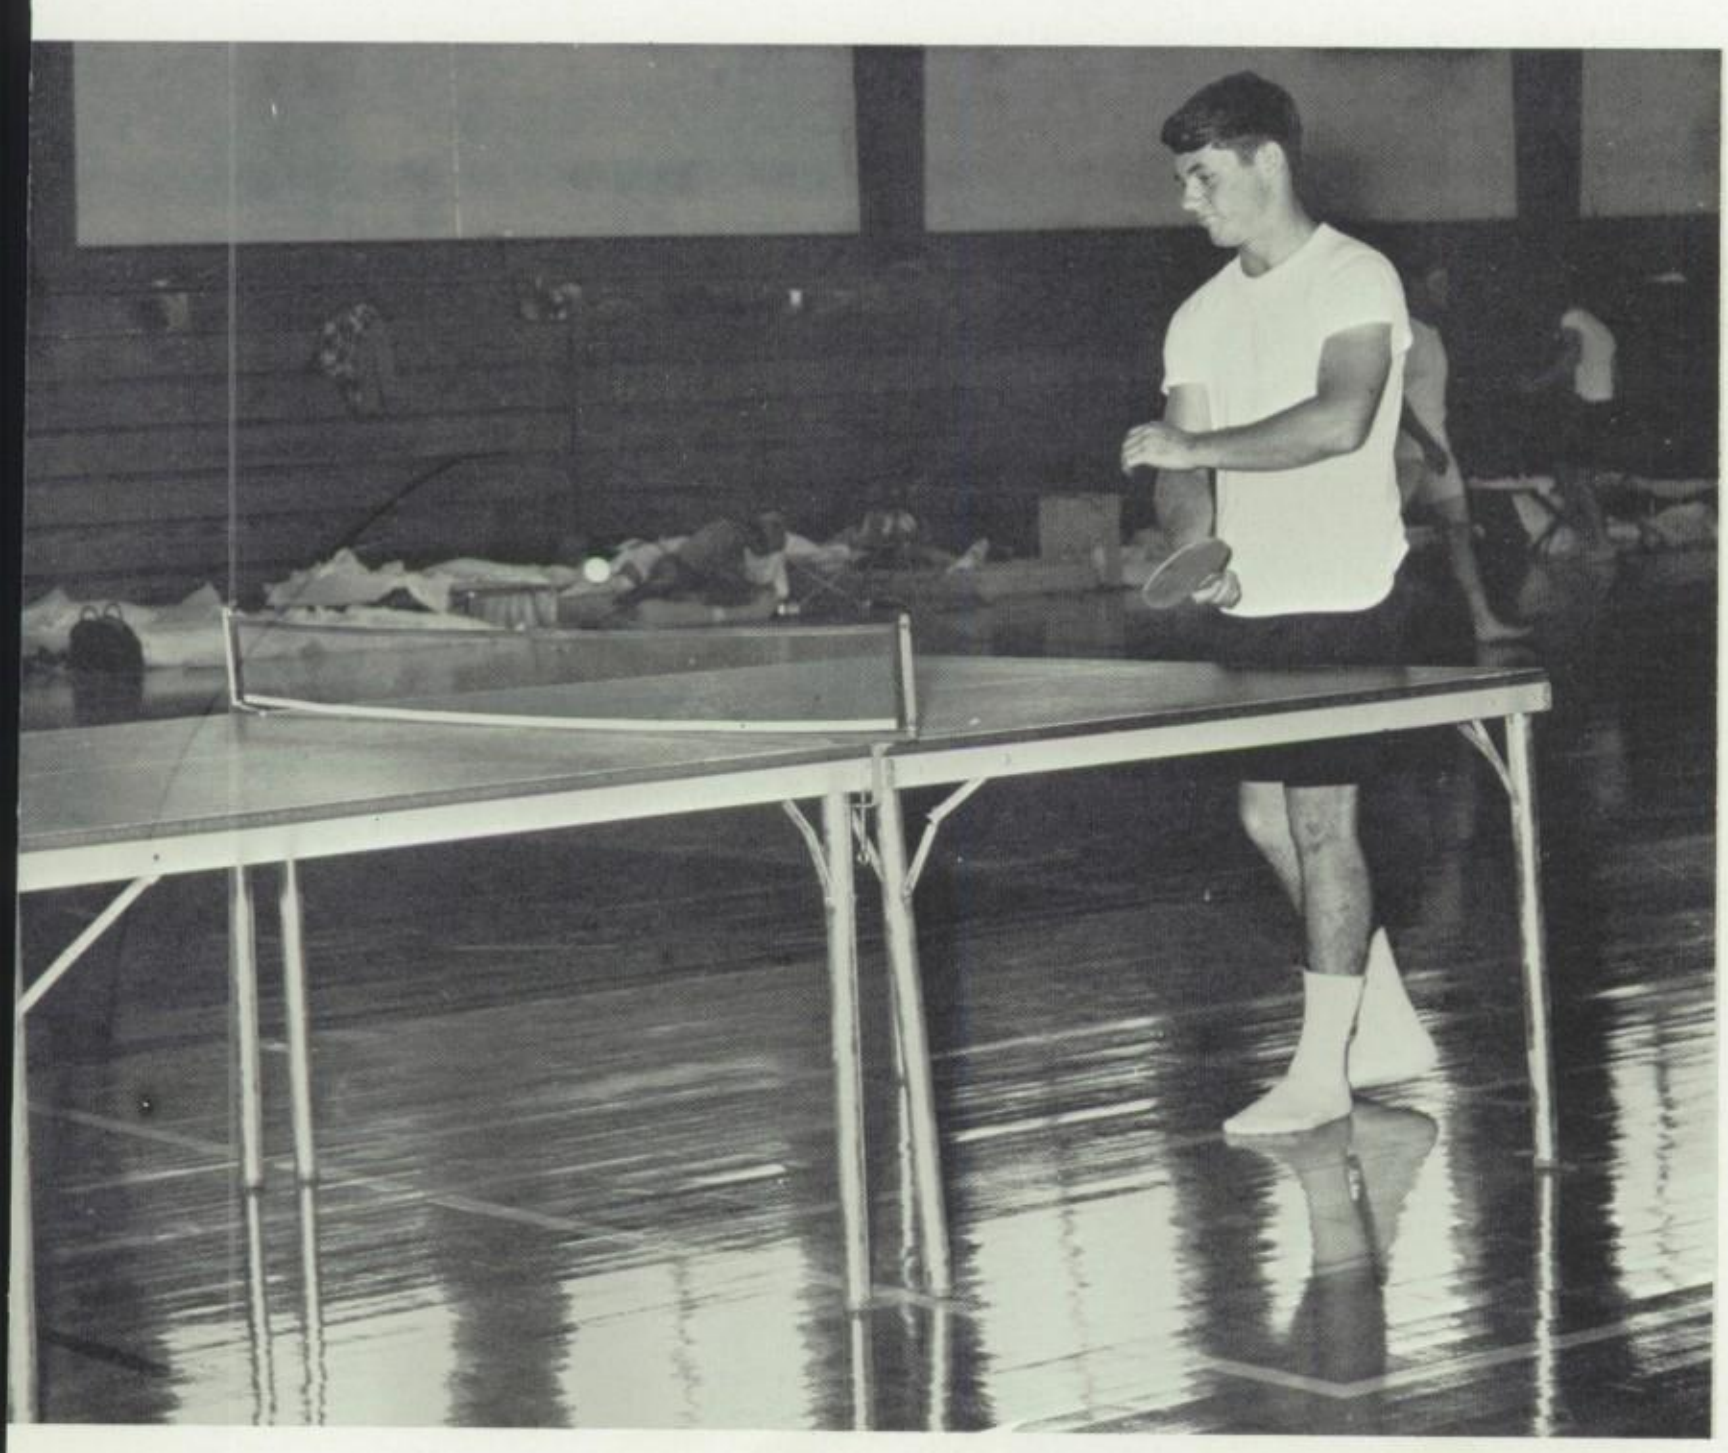
...to breaking your neck to catch that certain pass

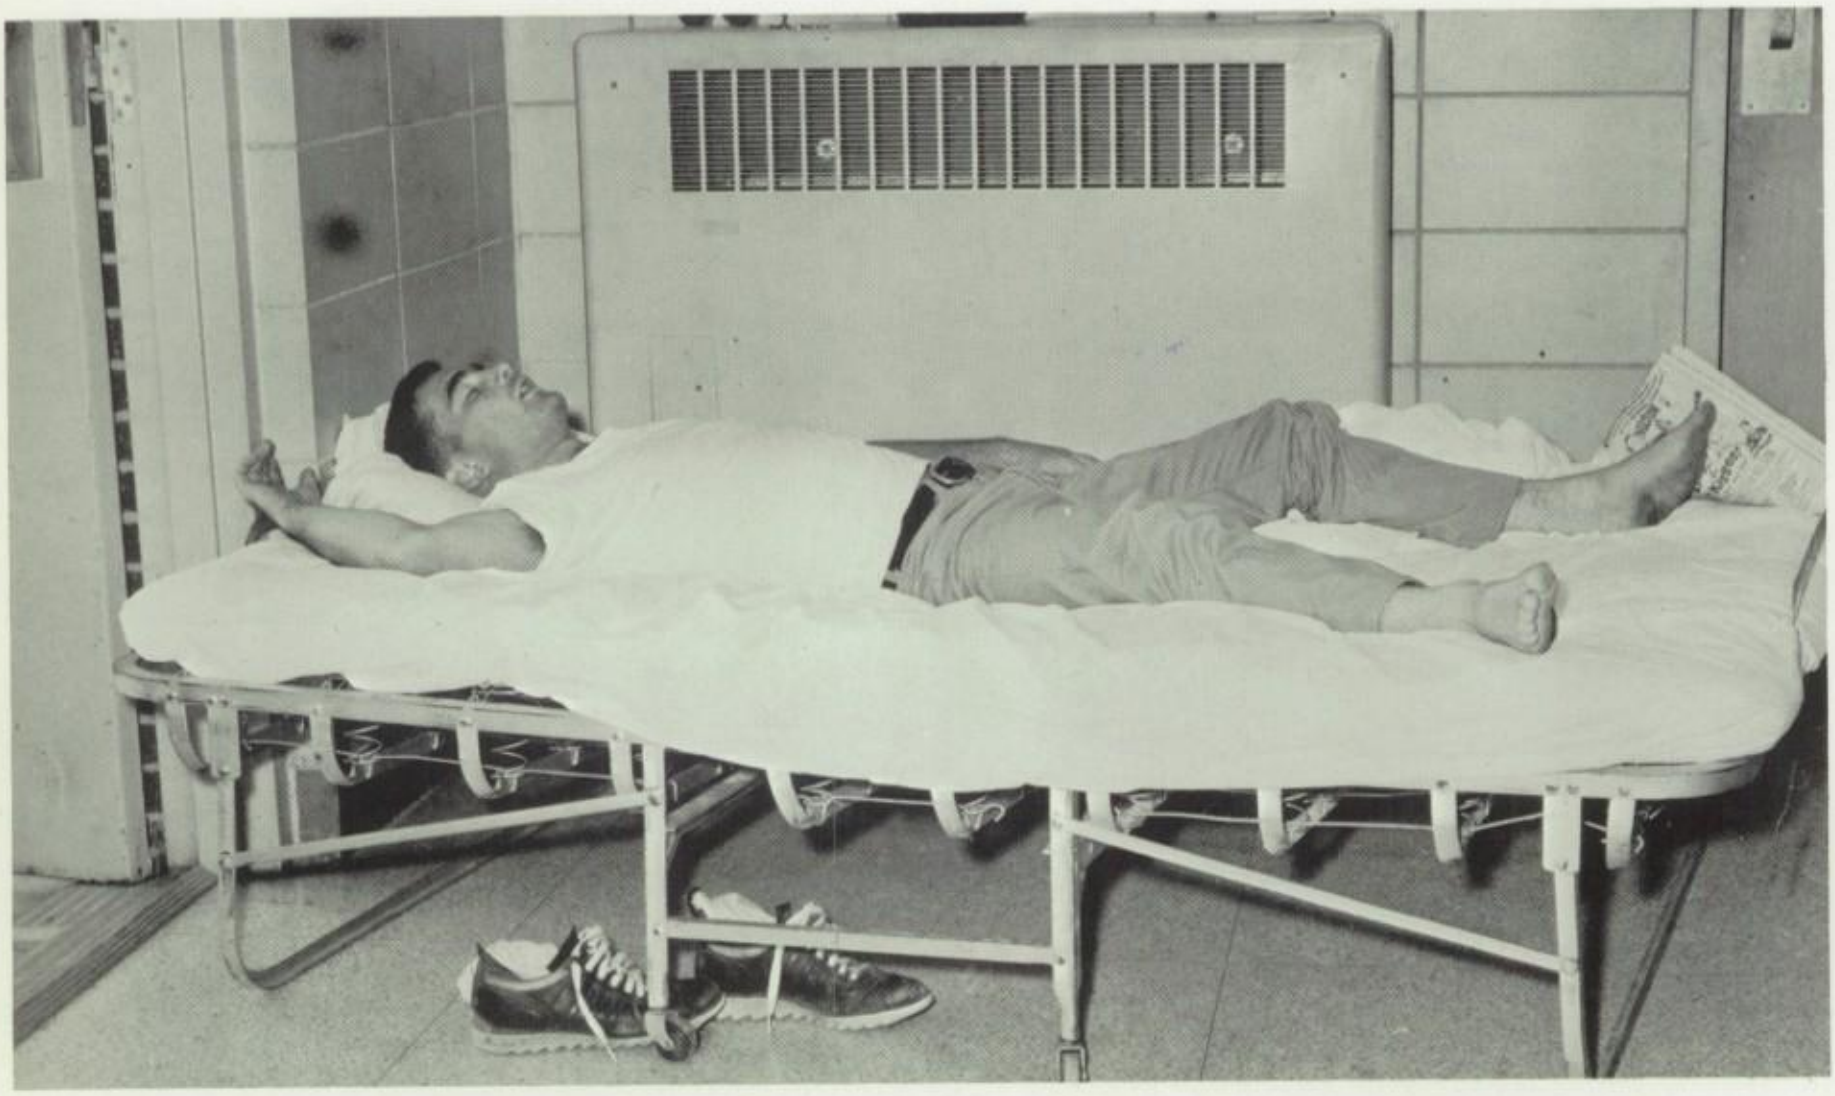


...to putting the little white ball over the big green net

Diligence

...to holding your mouth a certain way to help in learning that unlearnable dance step--(Mr. Goodloe Lewis, Choreographer of Blue Blazes)



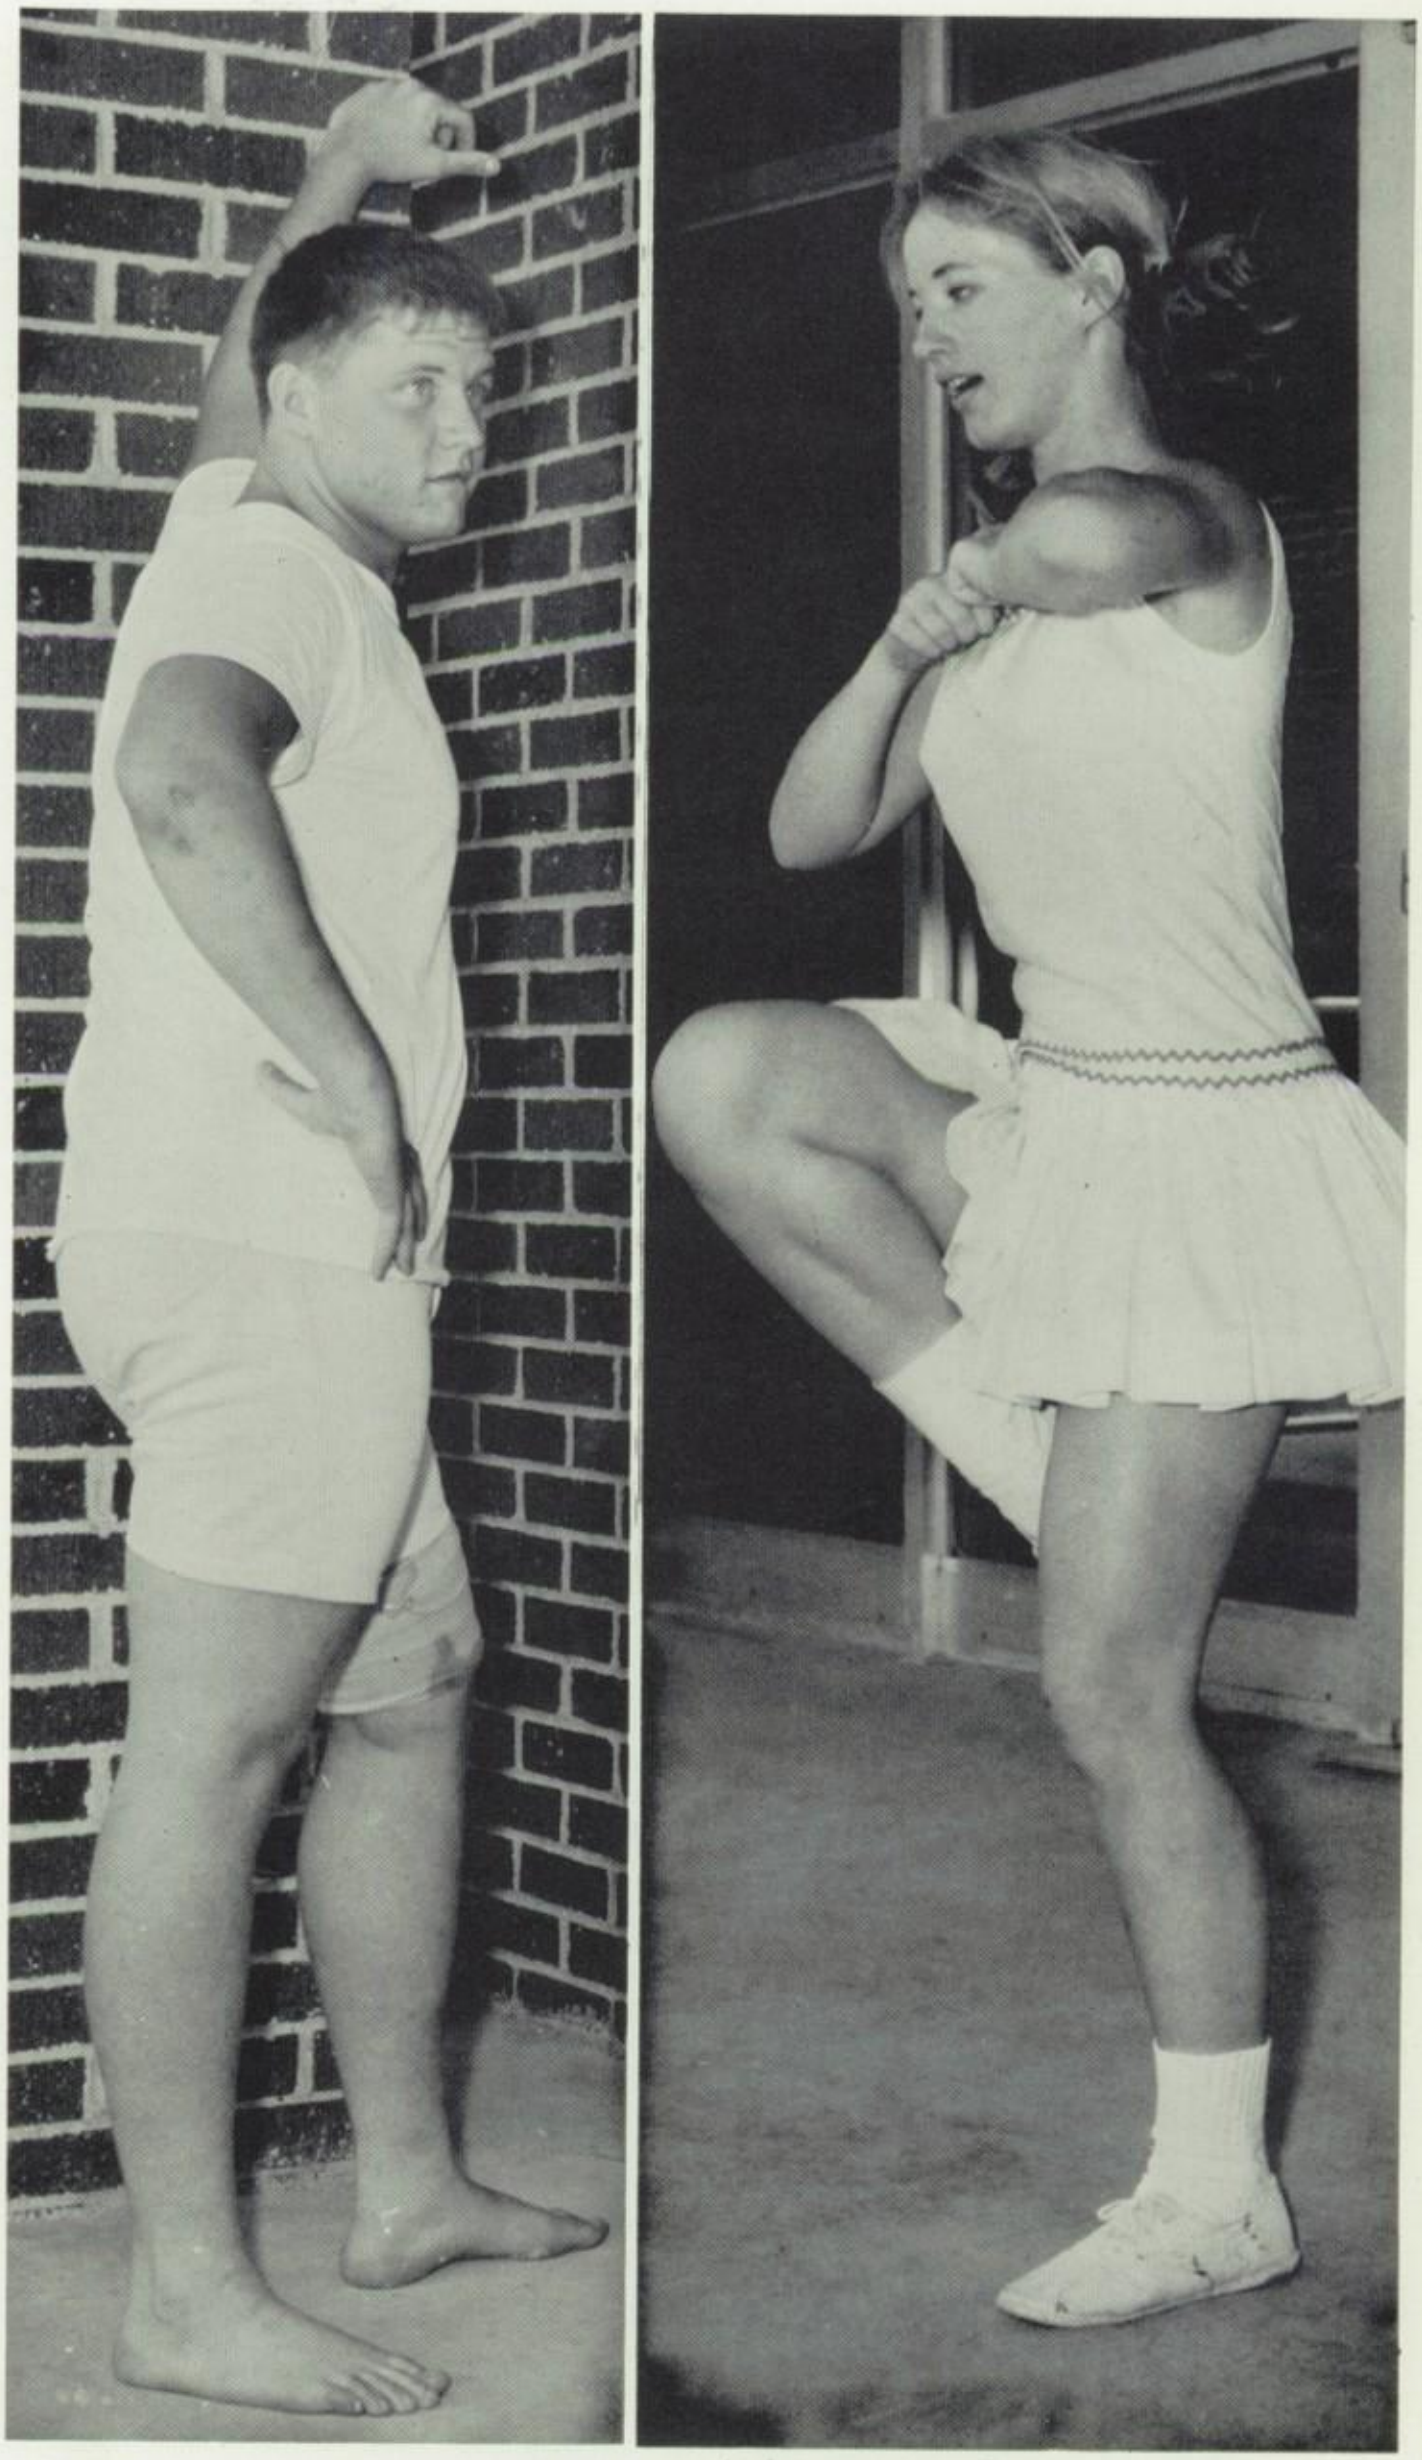


...from recuperating from a football workout at the break of day

...to learning how to take off during drill team practice

Enthusiasm

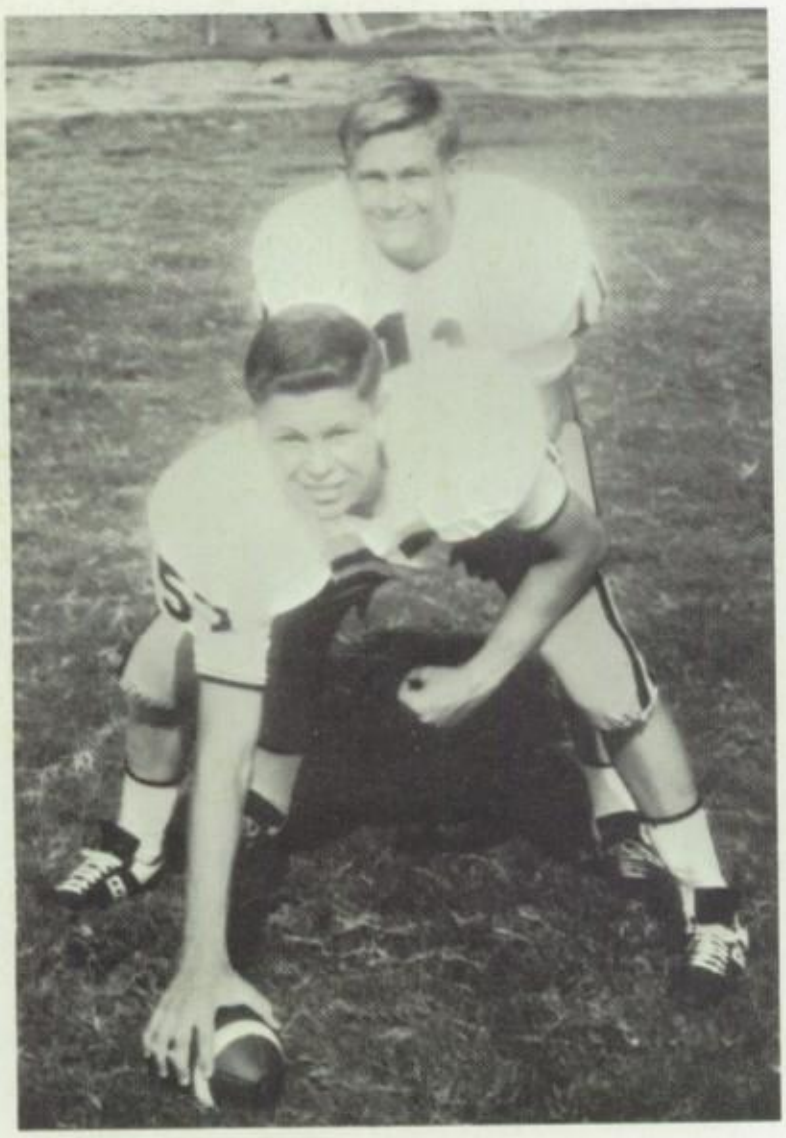
...to getting an eyeful
of a pretty girl



Gary Thompson seems quite enthused as he watches Pam Carroll work diligently on a new dance step.

Spirit Of

...from simply being with the crowd on the first day of school



...to doing your best for the Wildcat team

Involvement

...to having a good time by just being together

ALMA MATER

MR. BILLY CONNER,

If it were not for our principal and his assistants, our school system would be in constant confusion. It is because of the principal's concern for our welfare that SSHS runs on such a smooth road, and the students seem to forget that we owe a great deal to Mr. Drake, Mr. Conner, who assumed the duties of Vice-Principal just this year, and Mrs. Hudson, who helps us with all our trivial worries and problems. Because we so many times forget to appreciate these fine people, the CAT'S PAW would like to say "THANK YOU" to Mr. Drake, Mr. Conner, and Mrs. Hudson.

The NFL at SSHS returned from a successful year to begin a new year of great leaps and bounds. The club received its charter and seven students received membership pins in the club. Mrs. Garrison worked very hard to build the debate and speech program, and her efforts proved very rewarding for the participants, the club and the school.

Speech Students Merit Rewards from Diligence

At the beginning of school this fall eight debate students received membership certificates of the National Forensic League. These students were required to earn twenty-five or more NFL points. Receiving membership were Mike Fox, Johnny Weddle, Norman Flemens, Marynell Anderson, Phylis Herrmann, James Arnold, Marcus Hill, and Danny Bonner.

One of the projects of Mrs. Garrison's Speech classes was presenting plays to the student body and the public. Here students are practicing....

Coach West drilled the Ends on their techniques and pass patterns.

"Sports events are played to determine a winner within the rules of the game. This is always the prime goal in any game. Our 1965 Wildcats did not win in the season, but despite the disappointments they never once quit in an effort to attain their primary goals.

Beyond victory and defeat in athletes, though, there are measurements of individual effort, desire, concentration -- and in 1965 the Wildcats ranked as champions in all these respects."

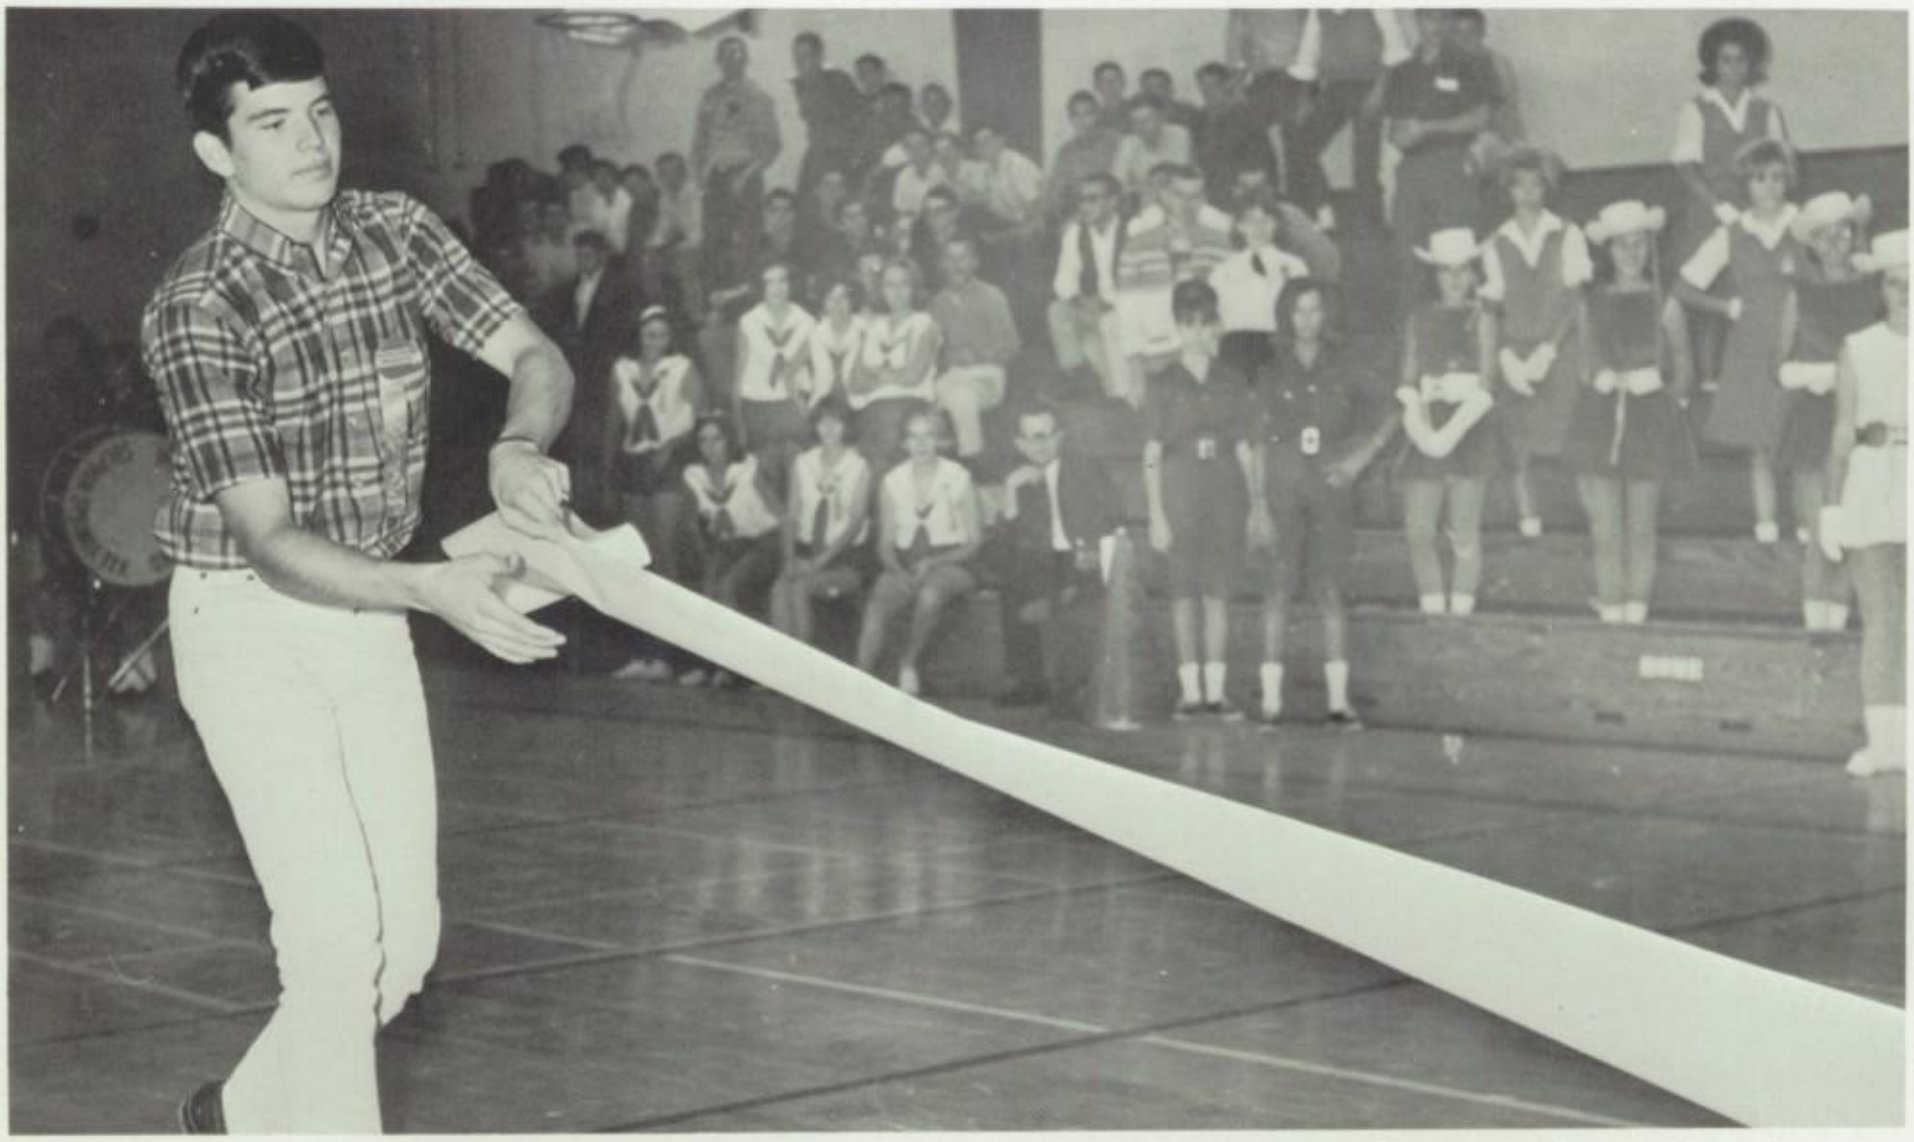
The three-year record of this group beginning in the seventh grade is eighteen wins, three losses, and one tie. This year, the boys won eight games and lost one for a total of two hundred fourteen points against ninety-eight for their opponents. Indeed this group of football players should be congratulated.

WILDCAT SPIRIT Is Enthusiastically



For the Lake Highlands pep rally, the Youth Center sponsored a telegram to be sent to the Wildcats from fans and supporters. Youth Center President Charles Brim presented the telegram at the pep rally.

Head Coach Jim Dobson expressed his appreciation to the student body, the faculty, and the WILDCATS at the last pep rally.

At the final pep rally of the season, the cheerleaders were still exhilarating and full of Wildcat enthusiasm.

Expressed at Weekly Pep Rallies

Three of the Varsity coaches expressed the need for enthusiasm from the student body for the WILDCATS.

Seniors Ike Harper and John West carried an "Ugly" from Lake Highlands to the pep rally.

Varsity Team Spirit Runs High at Mid-Season

Senior members of the Varsity cagers are pictured here with Varsity Coach, Mr. Leon Kennedy. Kneeling are Charles Brim and Ike Harper, and standing are Mike Smith and Don Sides.

"The 1965-66 "Wildcats" established themselves as a team that never quit, which has become a trademark of all "Wildcats" teams.

Though small in number and in size, each member of the team was a giant in carrying forth his proud heritage, that being: A FIGHTING WILDCAT."

Coach Leon Kennedy

The 1965-66 WILDCATS Basketball team faced a year in which there were several new team members, much anxiety to win another District Championship, and an overwhelming amount of spirit and enthusiasm. Each player did his very best throughout the season, and the WILDCATS again proved to be the "Best".
